

# FIGHTING HUNGER ONE MOVE AT A TIME

## ABOUT MOVE FOR HUNGER

Move For Hunger is a non-profit organization established to support the efforts of our communities' food banks. As you know many people throw out a good deal of "stuff" when they move. Unfortunately, a lot of this "stuff" is food that could be delivered to a family in need rather than thrown away. That's where we come in. Our movers offer to pick up unopened, non-perishable food items during the moving process and deliver it to their local food banks.

## OUR NETWORK

Move For Hunger now works with over **600 moving companies** and thousands of **real estate professionals** across North America. Together we have delivered over **5 million pounds of food** to food banks. This is enough food to provide over **4 million life saving meals** for those in need!
