

Learn About the CRS Designation

1. Click the hamburger **menu** in the top left-hand side of the screen to open a drop-down task bar.

2. Use your cursor to navigate down the task bar to hover over **Designation**.
3. As you hover over **Designation**, additional options will appear in the middle of the screen.
4. Position your cursor over the sub-category and click to select to learn about the Designation Requirements, Maintenance, Benefits and read our Designation FAQ.
