

Using the New Task Bar

With a streamlined navigation, getting to what you want is easier than ever before.

1. Click the hamburger menu in the top left-hand side of the screen to open a drop-down task bar.

2. Use your cursor to hover over the category you are interested in (example: Learn, Attend Connect Designation or Resources).
3. As you move down the list on the left-hand side of the task bar, additional options will appear in the middle of the screen.
4. Position your cursor over the sub-category and click to select.
