Upon retirement from the Canadian Army, Mike decided to take up a new career in Real Estate where he could help other families with their homes. He has been with RE/MAX Real Estate in Edmonton since 2005. When not selling houses, he likes to keep busy by staying fit, hunting in the fall, and tinkering with computers & Amateur Radio (Ham Radio) as VE6MM. Besides the Children's Miracle Network, he continues to give back into the community by donating over 85 whole blood units with Canadian Blood Services. Mike has been married to Susan since 1982 and they have three children; Kevin, Jennifer and Kathryn.
